 - Counselling
 - Challenging
 - Consistency
 - Competition

Vehicle is part of workplace

- Framework Directive 89/391/EEC applies to organisations requiring employees travel for work
- Employers to undertake a risk assessment according to the principles of prevention
- Many country level guidance documents framed by 89/391/EEC, and acknowledge that the vehicle is part of the workplace

Sweden

- SWEA. (2003) Road safety – a work-environment issue. Swedish Work Environment Authority.

www.av.se/dokument/inenglish/broschures/adi_578eng.pdf, last accessed June 2014.

UK

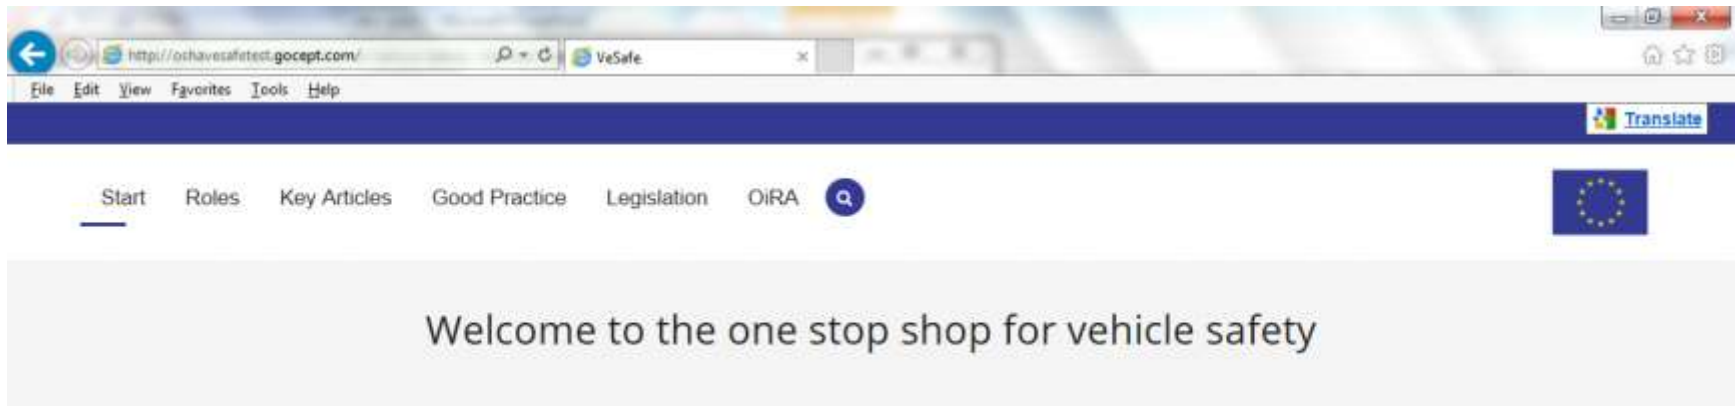

- www.hse.gov.uk/pubns/indg382.pdf
- www.hse.gov.uk/roadsafety
- Published 2003
- Updated April 2014
- All vehicle types
Irrespective of
ownership

Ireland
