

PRAISE - Preventing Road Accidents and Injuries for the Safety of Employees

Seminar:

Managing Road Safety Road Risks, Thursday 12 June 2014

Euskalduna Conference Centre, Avenida Abandoibarra, 4-48011 Bilbao, Spain

The Mapfre Foundation and the European Transport Safety Council (ETSC) have the pleasure of inviting you to a seminar in Bilbao on managing work-related road safety risk.

ETSC's PRAISE project addresses the safety aspects of driving at work and driving to work. Its aim is to promote best practice in order to help employers secure high road safety standards for their employees.

PRAISE is co-ordinated by the ETSC secretariat with the support of Fundación MAPFRE, the German Road Safety Council (DVR), the Belgian Road Safety Institute (IBSR) and the Dräger Foundation.

In the framework of this campaign, ETSC is organising a series of seminars in selected Member States bringing together companies, fleet safety managers, government representatives, and road safety experts.

Interpretation English-Spanish will be provided. To register please click [here](#).

For further information, please contact: Ilyas Daoud, Project Manager, ETSC
