

Drink Driving: Working Towards Zero Tolerance

Madrid, 24 September 2014

Spanish Representation of the European Commission, 46 Paseo de la Castellana

ETSC and the Spanish Confederation of Driving Schools (CNAE) have the pleasure of inviting you to a national event on drink driving on 24 September in Madrid.

This event represents an opportunity to gather representatives of European organisations, Spanish experts and other stakeholders to contribute to a wide-ranging debate on how best to tackle this important issue in Spain.

To register please contact:
