PRAISE Seminar

Preventing Road Accidents and Injuries for the Safety of Employees

09.30 – 1500, 23 May 2018

Birmingham, UK

Crowne Plaza NEC, Pendigo Way, Marston Green, Birmingham, B40 1NT, UK

The European Transport Safety Council (ETSC) and MiX Telematics have the pleasure of inviting you to the European PRAISE seminar on preventing road risk for employees.

The PRAISE project “Preventing Road Accidents and Injuries for the Safety of Employees” addresses road safety risks in the work context. The project was co-funded by the European Commission, and is now supported by the Fundación MAPFRE, the German Road Safety Council (DVR), the Dräger Foundation and MiX Telematics.

PRAISE aims to promote best practices and spur on employers to secure high road safety standards for their employees. In the framework of this campaign, ETSC and MiX Telematics are organising an international seminar in Birmingham, bringing together the

The seminar will focus on the key issues affecting employers in fleet and road-related risk management, and will feature invited experts from across the UK and Europe. A range of key work-related road safety issues will be discussed such as fleet management, insurance, reducing risk and costs
