# FoodTankers: How we prevent drink driving

FoodTankers  
is a mobile  
pipeline,  
connecting  
European food  
industries.

## FoodTankers: How we prevent drink driving

### 1. Our drug policy

It is vital for our drivers to stay sober at work!

## FoodTankers: How we prevent drink driving

### 2. Our subcontractors

We audit our subcontractors

## FoodTankers: How we prevent drink driving

### 3. Alcolocks

Breathalyzers  
installed in all  
new trucks

Our experiences:

1. Works good but still new technology.
2. Regular inspections only in three Polish cities.
3. Lack of knowledge of alcolocks in Poland.
