

PRAISE Conference

Preventing Road Accidents and Injuries for the Safety of Employees

Monday 13 October 2014, 10:30-16:30

Federation of Enterprises in Belgium (FEB), Rue Ravenstein 4, Brussels

The European Transport Safety Council (ETSC) have the pleasure of inviting you to the 4th Annual European PRAISE Conference on work-related road safety.

The conference will bring together fleet safety managers, EU institutions, government representatives, and road safety experts to discuss the latest developments and priorities in work related road safety. The winners of the ETSC PRAISE awards 2014 will also be announced.

The program will include contributions from leading occupational health and safety experts and will feature presentations of ETSC's new reports: 'The business case for managing road risk' and 'Van safety in commercial transport'. The final session will look at the ISO norm and certification in Belgium.
