

PRAISE - Preventing Road Accidents and Injuries for the Safety of Employees

Seminar:

Driving for Work Risk Management - 'Making the Business Case'

Thursday 2 July 2015, 08:45 - 13:30

Ash Suite, Cusack Stand, Croke Park, Dublin 3

The European Transport Safety Council (ETSC), together with the Health and Safety Authority, The Road Safety Authority and Garda Síochána, have the pleasure of inviting you to a seminar on work-related road safety to be held in Dublin on 2 July.

The seminar will focus on the key issues affecting Irish employers in fleet and road-related risk management, and will feature experts from Ireland and across Europe.

The PRAISE project (Preventing Road Accidents and Injuries for the Safety of Employees) aims to increase road safety at work. The project is co-funded by the MAPFRE Foundation, the German Road Safety Council (DVR), the Belgian Road Safety Institute (IBSR) and the Dräger Foundation. www.etsc.eu/praise
