#ROADPOLSafetyDays

[www.roadpolsafetydays.eu](http://www.roadpolsafetydays.eu)

ROADPOL SAFETY DAYS were created in **2020** by ROADPOL

The campaign is colide with European mobility week from **16th** to **22nd September** each year.

**Its purpose is:**

- ▶ to raise awareness of road safety issues across Europe
- ▶ to unite the efforts of police, public sector, private enterprise, groups and individuals to deliver a day where no one would die on the roads of Europe
- ▶ to spread the word far and wide through social media – by encouraging everyone to reflect on how they could be safer on the roads
- ▶ Moto: stay alive and save lives

# ROADPOL SAFETY DAYS

- ▶ Road Safety is ROADPOL's number 1 priority
- ▶ Traffic Police can contribute to fight against road and transport crime
- ▶ Criminals use the roads for their illegal activities
- ▶ Road Policing enforcement combines road safety and road crime enforcement
- ▶ Traffic Police can detect and deter criminals and deny them the use of the road whilst undertaking road safety actions

**TRAFFIC POLICING → ROAD POLICING**

# ROADPOL COOPERATION PARTNERS

- ▶ ROADPOL is focusing on road policing challenges
- ▶ ROADPOL Vision and Strategy are completely in line with EU targets
- ▶ To make the best use of our resources we must make sure that Road Police enforcement is intelligence led;
- ▶ Targets cannot be achieved alone, strong connection and cooperation between many stakeholders are needed
- ▶ Political will and leadership is strongly needed in order to ensure resources and innovation when heading to our targets in saving lives on Europe's roads
