

## **Alcohol Interlocks: towards a European approach for the fight against drink-driving?**

**Friday 5<sup>th</sup> February 2016, 09:00 - 13:00**

### **Slovenian National Assembly**

**Šubičeva ulica 4, p. 636 - SI-1102 Ljubljana**

The European Transport Safety Council, together with the Slovenian Traffic Safety Agency, have the pleasure of inviting you to a round-table event at the National Assembly in Ljubljana to raise awareness amongst policy makers, the private sector and key opinion leaders of how to develop a systemic approach to reduce alcohol misuse in road transport.

Measures to tackle drink driving such as the use of alcohol interlocks, enforcement, the BAC limit and how to target novice drivers, will all be on the agenda.

Participation is free but seats are limited. To register, please send an email before Wednesday 3<sup>rd</sup> February 2016 to: [Ilyas.Daoud@etsc.eu](mailto:Ilyas.Daoud@etsc.eu) or register online by clicking [here](#).

Interpretation Slovenian/English will be provided. Please note that, due to security reasons, participants are requested to be at the Slovenian National Assembly at least 30 min before the event.
