Alcohol Interlocks: towards a European approach for the fight against drink-driving

Monday 26 May 2014, 14:00 - 18:15

European Commission Representation in Poland
Centrum Jasna, ul. Jasna 14/16a
00-041 Warsaw

ETSC, The Polish National Road Safety Council and the Polish Motor Transport Institute (ITS) have the pleasure of inviting you to a round-table event in Warsaw to raise awareness amongst policy makers, the private sector and key opinion leaders of how to develop a systemic approach to reduce alcohol misuse in road transport.

Measures to tackle drink driving such as the use of alcohol interlocks, enforcement, the BAC limit and how to target novice drivers, will all be on the agenda.

Participation is free but seats are limited.

To register, please send an email before Friday 23 May 2014 to:
Ilona Buttler, ilona.buttler@its.waw.pl.

Interpretation Polish / English will be provided.

ETSC's Safe and Sober project is supported by Volvo Trucks and Alcohol Countermeasures Group.
