

SMART approaches to tackling drink driving

09.30 – 13.00 - 7 May 2015 - Prague

Ministry of Transport, nábřeží Ludvíka Svobody 1222/12, 110 15 Praha 1

ETSC and the Czech Transport Research Centre (CDV) invite you to an international conference on tackling drink driving.

The event will feature representatives from both the Czech and Slovakian transport ministries and will look at the most effective measures for reducing the number of alcohol-related road deaths. Translation (Czech/ English) will be provided.
